

## Same Sex Relationships

### *Romans 1:18-32*

*We should expect a number of Christians to experience forms of same-sex attraction. We live in a fallen world. Creation has been affected by our sin. It has been subjected to frustration (Romans 8:20). There is sickness. There is disorder. It affects our bodies, our hearts, and our minds as well. Christians succumb to the ravages of this fallen order as much as anyone. Being Christian makes us no less likely to fall ill, face tragedy, or experience insecurity. It is not un-Christian to experience same-sex attraction any more than it is un-Christian to get sick. What marks us out as Christian is not that we never experience such things, but how we respond to them when we do.*
