

Below is a list of Christian counselors that GCCC has referred people to in the past. We encourage you to check out websites, arrange for a phone consultation (usually free), and schedule an appointment. Sometimes it takes a few sessions to gauge whether a counselor is a good fit for you. We recommend going with the counselor you feel most comfortable with, who has availability that works with your schedule, and who is most accessible to your home/work in order to have consistent, regular appointments. There is no one-size-fits all model.

You may also consider if your insurance covers counseling. If not, Flexible Spending Account funds can be used to reimburse for services. The GCCC Benevolence Fund can also provide assistance on a case-by-case basis, pending availability of funds.

Note: We'll do our best to update this page, but sometimes contact information/websites change. If you have questions, please email women.board@greatcommissioncc.org.
